

PUNCH DARTS CLASSIC T&Cs FOR TOURNAMENT REGISTRATION.

The Punch Darts Classic is a national competition where Punch Pubs darts teams will compete with one another to go through to a Regional Final, before the winners of the Regionals go through to the National Final.

To register your team for the Punch Darts Classic (brought to you by Sky Business, Foster's & Paddy Power), please enter your team's name, plus your contact email and telephone number. We'll also require date of births and names of your players.

Entries must be completed by the end of 5th December 2025. After this date, no further entries will be accepted.

A member of the team will then contact you to advise who your competitor team will be.

The winning team will win a hospitality trip to the World Matchplay Darts in Blackpool in 2026.

Ts & Cs

By entering your team, you are happy to play other Punch Pubs darts teams in your local area. Teams will be matched in locations as close as possible.

Enter the name of the Punch pub that you wish to represent, each player's name and their date of birth.

You will be contacted with your opposition team's details, allowing you to arrange the matches. You will play two legs against your opponent, one at home and one away. These games will take place in January 2026 and must take place in a Punch pub.

Each team should consist of six (6) players. These can be mixed male & female, but all players must be aged 18 or older.

The match will then consist of 3x doubles games (1x leg of 701) and 6x singles games (best of 3 legs of 501).

No team can include more than two county-level players. If more county players are in the named team, then Punch reserve the right to disqualify them, and the runner-up team will progress. Professional players are also ineligible for the tournament.

If the team is a no-show on the agreed-upon date, then the win is allocated to the other team.

The winning team will need to confirm their victory by emailing PDC@magnifymarketing.co.uk with the results.

Eight regional finals will be played across the country in February 2026. The location & dates of these will be confirmed in January.

If the team is unable to make the day allocated for their regional final, then the runner-up team will take their place.

The Grand Final will take place in April/May 2026, with the date and location to be confirmed.

By entering the competition, you agree to share content captured across the Punch Pub company's social media channels.

For the Regional Finals, a new set of terms and conditions will be made available and will supersede the current ones shown.
